

Please read this policy carefully. When you make a booking that includes an approved accompanying dog, you accept on behalf of your party the terms of this policy. It is your responsibility to ensure that the dog owner, guests and/or visitors accept the conditions of this policy while visiting the property Lawson Park, Hartley Vale for an accommodation booking or venue hire event.

Long Alley Barn accommodation & surrounds is not fenced, and a property dam is within 20 metres of the accommodation. Adjacent dwellings - main house and gardens are fenced and the property owners pet dog (Kelpie x), if present at the time of your visit, will be kept secure within the home paddock and will only interact with your pet if both parties (& pets) agree.

“Dog” is a domesticated dog/pet. Guests must declare their dog's breed, age, and name for approval before staying. Only one approved dog is allowed, and a \$50 fee per stay applies, with potential additional charges for damages such as cleaning or repair due to pet stains and/or damage, as determined within the sole discretion of Lawson Park Management.

Your dog must be restrained on a leash or in a pet carrier when outside and cannot roam unsupervised. Guests are responsible for their dog's actions, including interactions with wildlife. Guests are responsible for cleaning up after their dogs, both inside and outside. Waste must be disposed of in sealed bags in designated Council Bin at entry gate to Lawson Long Alley.

Your dog cannot be left unsupervised at any time during your stay or event, sleep on furniture, or disrupt the quiet enjoyment of the property. If deemed objectionable, guests must make other arrangements for their dogs. Your dog is only permitted internally while supervised and restricted to concrete floor areas. It is recommended your dog sleeps in a crate or suitable bed or floor covering either in the Barn front vestibule or by the back door (internally is accepted if dog is a small breed).

Guests must travel with all suitable dog food & water bowls for your dog. Under no circumstances are crockery or food containers from the Barn kitchen to be used for your dog.

The owner of the approved pet (one dog per stay or event) agrees as part of their approved accommodation booking or venue hire agreement to:

- ❖ release Lawson Park Management, its owners, subsidiaries and affiliates from all liability for any injury and/or damage suffered by your dog while visiting Lawson Park.
- ❖ assume full responsibility for any injury or damage caused or alleged to be caused by your dog and incurred or alleged to be incurred by guest, employee or invitee of the Lawson Park property. This includes incurred or alleged to be incurred to wildlife that occur on the property
